CRH18011L

18 V SDS-Plus Rotary Hammer Drill Kit

- **Dual mode for drilling into multiple materials, with or without hammer action**
- Powerful 1.5 Joules impact energy
- Gripzone™ overmould technology for improved comfort with a positive grip

Technical data

No load speed 1	0 - 1000 rpm
Blows per minute 1	0 - 4000 bpm
Impact energy	1.5 J
Drilling diameter in wood	16 mm
Drilling diameter in metal	13 mm
Drilling diameter in masonary	12 mm
Weight	2,7 kg

Standard equipment

• 18V [1.4Ah] Lithium-Ion battery
• Super charger
